TOGETHER WOMEN RISE

**Carson Jones**  
Writing Intern

Carson is a rising junior at Boston University studying English. She has a passion for telling stories through writing, and hopes to build a career involving both storytelling and advocacy. In her free time, she likes to read, make art, and explore the city.

**Ziyue "Judy" Zhu**  
Video Intern

Judy recently graduated from Boston University with a Master of Science in Journalism. She joined Rise because she believes that gender equality is one of the most important issues of our time and she wanted to be part of an organization that's actively making a difference. Her goal is to build a career as a marketing professional where she can use storytelling and creative strategy to amplify causes that matter.
